

Greeting from the Big Sky Country:

We have been almost ready for this reunion for 2 years, I think we are going to be able to pull it off this time!!! Last year we had the first Mini-reunion that covered most of the small areas in Montana with a limited crew and lots of travel, with some really great skiing thrown in to boot.

This year Kate and I would like to welcome you to Montana and Whitefish Mountain for our 47th/48th AFRC Reunion. We would like to thank Whitefish Lake Lodge for accommodating us with the same great place to stay, and they held last year's rates for us. I was assured that the Hot Tub on the lake side would be open and ready to go when we get there. Also much thanks needs to be showered on Joe and Paul for the unwavering work that they do to make sure ALL the details are taken care of, including prodding yours truly along. What gems they are!!

This year I have a request, for the safety and health of those who think we might be getting close to that OLDER category. It would be nice if everyone was immunized or prepared to wear a mask to protect themselves and others. THANK YOU!!

The Ski area has been gracious enough to allow us the Military rates, which are really reasonable but there is plenty of other activities in the Whitefish area for those who wish to venture out, we are not very far from Glacier Park and the historic Walton Railroad Inn. Flathead Lake is also in the area. Cross-country skiing, snowshoeing and even some dog-sledding are available. Whitefish is a quaint little town with plenty of shops, restaurants and even a Brewery or two.

There are shuttles to and from the Kalispell Airport as well as to the ski area. You can make arrangements with the hotel. There will also be lots of folks with vehicles and you will be able to get up the hill to ski.

AFRC will hand out a scan card from the ski area to use to purchase your tickets at the military rate. The rates will range from \$38 to \$45 per day based on the information they have provided us.

Our fees this year will include 3 dinners on Thurs, Fri and Sat as well as all the usual shenanigans. Registration will be Wednesday evening but with no meals or beverages provided.

GET THS DONE! THANK YOU

TIM & KATE
