

Hello and Gutten Tag,

It is that time of year when we all get together and find out what new replacement parts we have or which ones we need. Thank God we grew up in the sixties and are still active enough to wear out parts other than our texting fingers.

Whitefish Mountain this year it is!!! We have had a couple of reunions there in the past and so far have been blessed with great weather and good snow. This year the festivities will begin on Sunday with a get together and registration in the Regatta room, with Reunion Beer, Wine, Soda and appetizers from 5:PM to 8:00 PM.

The vistas from the top of the mountain are truly wonderful, looking out at Glacier Park and the Canadian Rockies. If you haven't been to the Summit lodge and it's a clear day it might be worth the \$30 to take that ride and have a refreshment on the top of the mountain. As you may have noticed we have switched up our days of the week for the reunion,

(after only 50 years we didn't want you to stale on the same old, same old). Also, we will be having the Bier Slalom the same place as the last time we were at Whitefish, bunny hill by the dispensary, don't forget your costumes!!! That will be held on Tuesday to

facilitate a really good time and lots of hot tub opportunities without rushing off to dinner.

Whitefish has a plethora of great eating establishments for your enjoyment on Monday and Tuesday evenings. We will be having our farewell dinner at the lodge on Wednesday night.

Looking forward to see ya'll there!
